

DT08 Rec'd PCT/PTO 03 SEP 2004 *PCT*

Paris, August 31, 2004

To the United States Patent Office,

Please add the following enclosed documents to the application PCT/FR03/00109 and United States Patent Office number 10501612. This application is for entrance into the USA National Phase. The applicants are Eric Sitbon and Agnès Sitbon.

- English translation of "Pertinent Document" DE 23 23 058 A of Kuhn, Götz-Gerd
- English translation of "Pertinent Document" DE 200 18 405 U of F+E Gesellschaft für Bekleidungsinnovation mbH & Co
- English translation of „Pertinent Document“ FR 2 005 481 A of Rieker & Co

These are translations of three of the four non-english "pertinent documents" from the International Preliminary Search Report. Original copies of all of these documents are already in your possession.

Please do not hesitate to contact us if you have any questions.

Sincerely,

Eric Sitbon
